

We are looking to fill the full-time position of Pastor at Cherryville Baptist Church (founded 1849) in the heart of Hunterdon County. A small country church in a pastoral setting with roughly 50-80 people in attendance weekly. We are looking for a Pastor led to our congregation by the indwelling of the Holy Spirit and God's guiding hand. Most importantly the Pastor is someone who, as a disciple of Jesus Christ, will lead others in embracing the life-transforming Lordship of our crucified and risen savior. The Pastor will lead our congregational ministry, guiding and teaching in line with Biblical truth, our doctrine, and church covenant. We are interested in an educated, spiritually-guided leader that fits the qualifications as described in Titus and First Timothy. The position as Cherryville Baptist Church's Pastor would include weekly sermons, teaching Sunday School, Bible Studies, prayer meetings, special sermons (Thanksgiving, Christmas, Lent, Holy Week, Easter, etc.), providing guidance to our Deacons, Trustees, and other board positions, as well as special needs of the congregation such as pre-marital counselling, weddings, funerals, individual visitation, and spiritual care. We do have a Music Director who would love if our new Pastor was musically inclined, but it is not a requirement.

The congregation of Cherryville Baptist Church is strongly devoted to the study of scripture and commission of evangelism and missions. While not always quick to volunteer in advance, our members do not leave needs unmet. A Pastor coming to our congregation should be aware of our members love of the Lord and history of our church. In these times of national and social change, our members stand firm in the triune God who reveals himself through his Word as Creator, Savior, and Advocate; and who desires us to share His love and glory with all around us. We are called to be in this world, but not of it; to set an example to Christians and non-Christians alike to live in line with Biblical teachings.

Salary and benefits will be negotiated commensurate with experience and education. The use of the church parsonage is a huge benefit for a Pastor with a younger family or just looking for the ease of walking to church Sunday mornings.
