

Join Cherryville Baptist Church for Sunday School this Season ~

Sunday school is our time to gather as the body of Christ and receive Biblical instruction. The content of the classes may vary from season to season. We may use curriculums, guides, or even commentaries to assist. Please remember that these are manmade and may fall short or provide ideas that one or more may feel are not perfectly in line with their beliefs. In these instances, we ask for Grace and remind everyone that these are provided as a means of assistance in explaining or understanding the Bible, which is ultimately our main source as the inerrant Word of God. We ask that the scriptures be respected as the sufficient and final authority. We pray that our classes will be pleasing to God and bring Glory to Him.

All Classes will begin with a gathering in the sanctuary, at 9:30 am, for Prayer, Praise and Bible verses (treats provided for verses recited). We also take an offering during this time for different ministries and missions opportunities. At about 9:45 am, we break off into our classes. Classes conclude about 10:45 am, in order to prepare for our 11 am worship service.

Our Fall Theme is “Sharing the Good News: Evangelism and Discipleship”.

Currently planned fall Sunday School Offerings:

- *Samaritans Purse -Operation Christmas Child
- *Mitten Tree – for the Friendship Center

The second Sunday of each month we hold a Sunday School Breakfast, at 9:30 am, for fellowship and request that you bring a dish to share.
